

The Holy Family

This Sunday has been chosen by the Church for the celebration of the Feast of the Holy Family; the liturgy of the day, as expressed in the Gospel, harmonizes well with the mystery of the new Feast, for it already carries us forward to the childhood of our Emmanuel and gives us those wonderful words which, after the example of his Blessed Mother, we must ever ponder within our hearts: 'And he went down with them and came to Nazareth and was subject to them.'

The Feast of the Holy Family is of recent origin. In 1663 Barbara d' Hillehoust founded at Montreal the Association of the Holy Family; this devotion soon spread and in 1893 Leo XIII expressed his approval of a feast under this title and himself composed part of the Office. The Feast was welcomed by succeeding Pontiffs as an efficacious means for bringing home to the Christian people the example of the Holy Family at Nazareth, and by the restoration of the true spirit of family life, stemming, in some measure, the evils of present-day society. These motives led Benedict XV to insert the Feast in the universal Calendar, and from 1921 it has been fixed for this present Sunday
